

Double click on the
GOOGLE CHROME Icon

Click on the three
GRAY BARS

The screenshot shows a Windows desktop environment with a web browser window open to the Howland Local Schools website. The browser's address bar shows the URL www.howlandschools.com. The website header features the school's logo (a tiger) and the name "HOWLAND LOCAL SCHOOLS". Below the header are navigation tabs for "PARENTS", "STUDENTS", "STAFF", and "COMMUNITY", and a secondary menu with "About", "Calendar", "Board of Education", "Departments", and "Forms & Links". The main content area includes a list of school levels: Howland High School, Howland Middle School, H.C. Mines Intermediate, North Road Intermediate, Glen Primary, and Springs Primary. A central image shows a group of students in red shirts. To the right, there is a "2011-2012 Ohio Local Report Card" badge with a star and the text "6 years EXCELLENT District Rating". Below this, there are sections for "Howland News" (with a "Post-Election Howland Levy Committee survey is now available" article) and "Upcoming Events" (listing Veteran's Day, Parent Teacher Conferences, etc.). A red arrow points to the three gray bars in the top right corner of the browser window, which are used for navigation in the mobile version of the site.

In the right column
scroll down to:
SETTINGS

Scroll to bottom and click on Show Advance Settings

The screenshot shows the Chrome Settings page. On the left is a navigation menu with 'Settings' selected. The main content area is titled 'Settings' and includes a search bar. Below the search bar are sections for 'Sign in', 'On startup', 'Appearance', 'Search', 'Users', and 'Default browser'. At the bottom of the page, a red-bordered box highlights the text 'Show advance Settings'.
