

Find a Provider

Searching for doctors and medical facilities is easier than ever with our Provider Search tool, available on MedMutual.com.

Choose Your Search Criteria

This versatile tool allows you to search for providers based on what matters most to you. Narrow your search by:

- Location
- Name
- Specialty
- Gender
- Language(s) spoken
- Hospital affiliation
- Practice name
- Awards and recognitions

Compare Your Options

Compare and evaluate up to four providers side by side to find the provider that best meets your needs.

Log Into My Health Plan for Advanced Features

If you have access to My Health Plan, your personalized member website at MedMutual.com/member, finding a provider is even easier. The website will automatically fill in the search fields with your personal and network information to make your search quicker. You can also view providers' patient satisfaction ratings and practice locations.
